This is also taken as a committed and binding bid.

## **Axminster and Lyme Cancer Support**

Axminster and Lyme Cancer Support aims to provide support for everyone living with and beyond cancer. We offer regular friendly meetings both in Axminster and Lyme Regis so support and information can be accessed locally.

There are a variety of services available from creative activities, holistic therapies, relevant diet and lifestyle information, different exercise classes all for anyone affected by any cancer. We offer mutual support, helping people cope with the fear, anxiety, isolation or stress that cancer can bring by providing a chance to unwind over a cup of tea. We are able to offer different options for coping strategies, both locally, slightly further afield and various websites and apps which might be beneficial.

Thank you to all for supporting us.

Mary Kahn

Founder and Committee Chair.
