

MAKING A MARK

Creative Hub – Kilmington

EVENT OVERVIEW

Marking A Mark 6 weekly art course run from November 2022 – January 2023.

QUOTES

It was perfect in my opinion with a fantastic tutor.

It was wonderful to be able to do this workshop.

TESTIMONIALS

Creative arts in small groups, is really making a major difference to my life and I believe that my art group colleagues feel the same, as we battle with "living with cancer". Having time for ourselves to play with creativity, whether it is paint, words, pottery etc, it simply takes our minds away from the now and helps us see a future.
