12th April 2023 – Talbot Arms

EVENT OVERVIEW

An opportunity to talk to other men affected by cancer and to ask any questions about the support we offer.

Great way of getting men to talk about cancer.

**EXTREMELY HELPFUL AND SUPPORTIVE GROUP
IN DIFFICULT TIMES**

TESTIMONIALS

This event is extremely useful for men to share experiences. If you look after someone with cancer or you have cancer yourself the benefits are great. Men are not particularly good at talking about such subjects, but this event helps break those barriers and give us all a better understanding of what people are going through on the journey through cancer. Being a patient or family member or just looking after someone. Keep up the good work ALCS.
