## QUOTE

It was a wonderful evening! It was so great to get to know more people from the ALCS community and we can't wait for future events.

It was a fabulous, fun, friendly evening with delicious food. A total winner of an evening. Thank you 😊

## TESTIMONIALS

Great idea to have a quiz - gave us something to think about other than cancer. The mini Green and Black's went down well too. Thank you for a lovely evening.
