TESTIMONIALS

AS WELL AS USING YOUR CREATIVITY TO CREATE PIECES OF ART, THE WORKSHOPS ALSO ALLOW YOU TO CONCENTRATE AND FOCUS ON SOMETHING OTHER THAN WHAT IS GOING ON WITH YOU, HEALTH WISE, IT GIVES YOU A BREAK BUT AFTER ALSO GIVES YOU TIME TO CHAT AND GET TO KNOW OTHER PEOPLE WHO HAVE AND ARE GOING THROUGH EXACTLY THE SAME EXPERIENCE AS YOU! I THOROUGHLY RECOMMEND PLUCKING UP THE COURAGE TO HAVE A GO WHEN YOU FEEL READY!

I loved my painting class it took me away from all the difficulties life is throwing at me at the moment. It gave me temporary peace.
