

# BLOKES BRUNCH

17<sup>th</sup> June 2023 – The George Axminster

## EVENT OVERVIEW

Blokes Brunch including breakfast with a talk by Dr Nick Hodges.

## QUOTES

A very beneficial event with wonderful advice from a first-class GP. Each event just builds on previous ones.

Brilliant idea to be able to speak with a doctor in a less formal setting.

## TESTIMONIALS

Really helped me being with like-minded men of trying and sharing, also understanding different journeys people are on. It lightens the load of being away from home for a few hours.

**NICK HAS A GREAT WAY OF SHARING IMPORTANT INFORMATION AND ANSWERING QUESTIONS THAT REALLY USEFUL.**

## THANKS TO

The George Hotel Axminster & Dr Hodges.
