

ACRYLICS ART WORKSHOPS – TRUDI

14th September 2023 – Wootton Fitzpaine Village Hall

EVENT OVERVIEW

Learn how to paint in acrylics and be inspired by a variety of subjects and techniques. Acrylics are a popular medium as they are versatile and forgiving. In each workshop we will paint a particular subject, working from a choice of images. Your tutor Trudi will offer demonstrations and help along the way.

QUOTES

Yet again a wonderful tutor. Wonderful to spend a few hours being creative and trying something I thought I could not do!

The course provided clients with the opportunity to experience an activity which was both creative and mindful.

TESTIMONIALS

We were all pretty amazed at what we all created, excellent teaching by Trudi.

The best 2 1/2 hours of my week. One gets completely absorbed into the craft, no space for negative thoughts. Also being with other understanding people is a bonus.

THANKS TO

Trudi Ochiltree
