EVENT OVERVIEW

Making A Leather Keyring Workshop

QUOTE

A great workshop for all levels of skill , no one felt left out we all felt we had achieved a fabulous result .

THIS WAS MY FIRST WORKSHOP AND I DIDN'T KNOW WHAT TO EXPECT BUT EVERYONE WAS VERY FRIENDLY AND SUPPORTIVE

TESTIMONIALS

Such an enjoyable, creative and relaxing way to spend the morning. Jools is an excellent, encouraging tutor. Thank you

Being able to attend art workshops allows you to focus your mind onto what you are creating at the time and let's you forget for a while what you are going through. It also provides a space where you wouldn't normally even attempt trying to have a go at these new skills. I have gained confidence and now enjoy working on my own art pieces now and again at home.

THANKS TO

Jools Woodhouse
