## EVENT OVERVIEW

Blokes Brunch including breakfast with a talk from Dr Nick Hodges.

## QUOTE

This is a great function, with a group of people who can support each other in challenging times. Also, brilliant advice provided by our group doctors.

VERY GOOD TALK BY DOCTOR. EXCELLENT QUESTION AND ANSWER SESSION.

## TESTIMONIALS

I never fail to learn something new at these events, having a doctor talk to us in a relaxed atmosphere is worth its weight in gold.

Good event for men to hear about all types of cancer and discuss with local GP.
