8<sup>th</sup> May 2024 – Uplyme – Lyme Regis

## EVENT OVERVIEW

Men's Walk & Talk to Pie & Pint. Walking from Uplyme Village Hall to Lyme Regis and back after Pie & Pint.

## QUOTES

“It was great to walk and chat about how we were each getting along. Pie & a pint offers a truly unique opportunity for men to talk among friends about how cancer is impacting them.”

“This Event just keeps getting better, New faces New people to get to know, really helps to clear your head talking to other guys about the effect of cancer has on people and how we all cope in different ways.”

## TESTIMONIALS

Being one of the lucky ones who could make the whole walk, it added so much to the evening. Once again the overall fellowship of these events is wonderful. Thank you for these opportunities.

For those of us who are fit enough to do a walk this was an excellent bonding session with plenty of conversation and fresh air giving an appetite for the meal to come
