

6 WEEK STOOL MAKING WORKSHOP WITH LYME REGIS BBA

20th February – 26th March - Lyme Regis

EVENT OVERVIEW

6-week Stool Making Workshop at the Boat Building Academy – Lyme Regis

QUOTES

"Sam is an amazing teacher, I thoroughly enjoyed the course and learnt so many new skills."

TESTIMONIALS

I absolutely loved the course. The teaching was very easy to understand, told and materials were quality and accessible. The stool that we took home as an end product is now my prize possession. Thank you.

This course provided learning in a relaxed manner of wood craft skills, good instruction and working at your own pace in the most friendly setting it was so enjoyable, and it takes your mind off of anything else as you are immersed in your project.
