14th & 21st August 2024 – Cross Keys House

EVENT OVERVIEW

Applique Cushion Workshop at CKH with Katie Vinning.

QUOTES

“Been so long since any hand sewing ... really enjoyed it”

“It was a lovely run group.”

TESTIMONIALS

The course reignited my love of craft, something that I'd lost. My diagnosis has affected every part of my life and working on my cushion gave me a chance to focus on something I enjoyed, in a supporting environment. My cushion is a reminder of something good that came out of something bad.
