23rd July – 27th August - Lyme Regis

EVENT OVERVIEW

6-week Stool Making Workshop at the Boat Building Academy – Lyme Regis

QUOTES

“A very enjoyable and interesting Hands-on course.”

“Sam is a great teacher. A wonderful course, thank you.”

TESTIMONIALS

The variety of courses and subjects offered by ALCS is really wonderful. To be able to focus and achieve something new whilst life is so turbulent is invaluable. I will forever cherish the stool I made and hopefully look back at it with happiness in the future for getting through a challenging time and overcoming it.

Hearing other people’s stories is really useful and helps gain different perspectives.
