

# MEN'S SUMMER PLOUGHMAN'S

17<sup>th</sup> July 2024 – Cross Keys House

## EVENT OVERVIEW

Men's Summer Ploughman's at CKH.

## QUOTES

"A worthy event, having escapism from the realities of cancer or partners going through cancer... with a great bunch of guys who don't often talk about what they're going through in normal life giving them the opportunity to get things of their chest at the pie and pint night, hosted perfectly by the ALCS team."

"This was a very organised and welcoming event with great attention to detail and personal touches from the hosts. Thank you."

## TESTIMONIALS

The support I have received has been excellent. If I hadn't been introduced to ALCS, I would have been going through my cancer mostly on my own, although some family members have been great, but talking to other men who has or us going through cancer treatment, is a great. Thank you

## THANKS TO

Bruce & Nigel - Volunteers
